13. Adjournment

*Enclosure

FY 2011/2012 A&F Committee Al Dessayer, Moraga Candace Andersen, Danville Rob Schroder, Martinez

General Information

Public Comment: Each person wishing to address the above named committee is requested to complete a Speaker Card for submittal to the Committee Chair before the applicable agenda item is discussed. Accessible Public Meetings: Upon request, CCCTA will provide written agenda materials in appropriate alternative formats, or disability-related accommodations. Please send a written request and description of the requested materials so that it is received by CCCTA at least 48 hours before the meeting convenes. Requests should be sent to: Janet Madrigal, Clerk to the Board – CCCTA – Administrative Department, 2477 Arnold Industrial Way, Concord, CA 94520 or madrigal@cccta.org. Shuttle Service: With a 24-hour notice, a CCCTA LINK shuttle will be provided from the closest BART station to the meeting location. To arrange for the shuttle, please call Robert Greenwood 925/680-2072.

Inter Office Memo

Administration and Finance Committee Summary Minutes May 4, 2012

The meeting was called to order at 9:00 a.m. at the Walnut Creek offices of Hanson Bridgett. Those in attendance were:

Board of Director Al Dessayer Board of Director Candace Andersen Board of Director Rob Schroder

Staff: General Manager Rick Ramacier
Director of Finance Kathy Casenave

Public" Ralph Hoffman

- 1. Adoption of the Agenda- Approved.
- 2. Public Communication- None.
- 3. <u>Summary Minutes of April 4, 2012</u>- Approved.
- 4. Proposal for Financial Audit Services- Director of Finance Casenave reported that a RFP was released on March 5, 2012 for audit services for up to 5 years, beginning with fiscal year 2012. Five firms with transit auditing experience were notified and 18 DBE firms throughout California were also notified. Three firms responded with a list of questions and staff responded. However only one firm, the current auditor, Brown Armstrong, submitted a proposal. The fees proposed were reasonable-\$30,500 for FY 2012 up to \$43,500 for FY 2016. The fee for FY 2011 was \$39,000. The Committee voted to approve recommending to the Board that the General Manager enter into a contract with Brown Armstrong to perform audits for a one year period with the option of four extensions beginning with FY 2012. Approved for consent calendar.
- 5. FY 2013 Draft Budget and Ten Year Forecast Director Casenave discussed the revised draft budget. The main difference between this draft and the draft presented in April was an increase in Measure J revenue. For the April draft, staff estimated a 3% increase because CCTA had not yet released FY 2013 numbers. The CCTA staff is proposing a substantial increase in the revenue for next year- it is \$500,000 more than the April draft- \$321,000 for Fixed route and \$182,000 for Paratransit. Director Casenave also reported that the passenger fares have been increased slightly in the May draft based on actuals through Febuary. Operating expenses were slightly increased. For the 10 year forecast, the funding shortfalls for capital projects were eliminated because the additional Measure J revenues projected forward allowed for TDA revenue to be used for the capital program. Director Casenave requested that the Committee forward this draft to the Board for discussion so that the final budget can be submitted and approved in June. Approved.

- 6. <u>Legal Services Statement, February 2012 General-</u> The committee reviewed and approved the legal services invoice.
- 7. Review of Vendor Bills, April 2012- The committee reviewed the vendor bills.
- 8. <u>Adjournment-</u> The meeting was adjourned. The next meetings will be Thursday, June 7 at 2:30 p.m.; Wednesday, July 11 at 9:00 a.m.; and Tuesday, August 7 at 9:00 a.m. at the Walnut Creek offices of Hanson Bridgett, 1676 N. California St.

Inter Office Memo

To: Administration and Finance Committee Date: May 30, 2012

From: Kathy Casenave, Director of Finance Reviewed by:

SUBJECT: Adoption of Gann Appropriations Spending Limitation for FY 2013

Summary of Issues:

By State law, the CCCTA Board of Directors must adopt an appropriations limitation prior to adoption of its annual fiscal budget. The calculated FY 2013 legal spending limit for CCCTA is \$53,888,097.

Pursuant to California Constitution Article XIII (B) (Proposition 4), public entities are required to conform to budgetary guidelines set forth in the Gann Initiative. The purpose of Article XIII (B) is to constrain fiscal growth in government by limiting the proceeds of taxes that may be appropriated each year. Each year's limit may be adjusted for increase in cost of living (*California per capita income*) and population. For special districts, if the district is located entirely within one county, the *county's population* change factor is to be used. That is the case with CCCTA. The limit may also be changed in the event of a transfer of fiscal responsibility.

The California Department of Finance is mandated to provide the requisite price and population change data for local jurisdictions to calculate their appropriations limit.

The appropriations spending limit is calculated using the following formula:

- 1. Population percentage change x price increase/decrease factor=ratio of change
- 2. Ratio of change x 2011-12 spending limit = 2012-13 spending limit.

Based on the above formula, the appropriations spending limit is calculated as follows:

1. Population percentage change x price increase/decrease factor=ratio of change

1.0083 x 1.0377= 1.0463

2. Ratio of change x 2011-2012 spending limit =2012-2013 spending limit:

1.0463 x \$54,581,913 = \$57,109,055

Based on the above calculations, the Gann appropriations spending limit for FY 2012-2013 is \$57,109,055. The actual CCCTA non-federal appropriations budget for FY 2012-2013 is \$31,390,337 (Exhibit A), which is \$25,718,718 below the spending limitation.

Recommendation:

The Administration & Finance Committee recommends that the Board of Directors adopt the Gann appropriations spending limitation of \$53,888,097 for FY 2011-12.

Director of Finance

SUBJECT: CCCTA Income Statements for the Nine Months Ended March 31, 2012

The attached unaudited CCCTA Income Statements for the nine months of FY 2012 are presented for your review. The combined actual expenses, Fixed Route and Paratransit, (Schedule 1), are 7.4% under the year to date budget (\$1,819,003). The expense categories with the most significant variances are:

Wages	\$(267,101)	(3.8)%	Operator wages are \$125k under budget (see Schedule 5 for details) and other wages are \$142k under budget, mainly in the Maintenance Dept. The actual is expected to be lower for the year.
Fringe Benefits	\$ 123,784	2.2%	Fringe benefits are over budget mainly because of an additional amount contributed to the OPEB trust as a result of a new actuarial report with a lowering of the expected investment return.
Services	\$(353,703)	(23.6)%	Legal services, promotions, outside repair services account for most of the variance. Most of this is the result of timing- it is expected that this category will only be about \$96k under budget by the end of the year.
Materials & Supplies	\$(567,059)	(19.6)%	Diesel fuel accounts for most of the variance, and the actual is expected to be lower than the budget for the year.
Special trip services	\$(230,787)	(5.6)%	Purchased transportation is lower than budgeted mainly due to lower service hours. The actual is expected to be lower for the year.

Fixed route and Paratransit revenues and expenses are presented on **Schedules 2 and 3.** Actual expenses are compared to the year-to-date approved budget. Fixed route expenses are 7.4% under budget and Paratransit expenses are 6.9% under budget.

The combined revenues are under budget because TDA revenue is not considered earned unless needed for expenses and after other revenue is used. Another category with a significant variance:

Passenger Fares	\$ 167,662	5.8%	Passenger fares are more than budgeted.
Special fares	\$ 84,139	13.3%	Special fares are more than budget due to an increase in Bishop Ranch revenue and unbudgetd ITT tech revenue.
STA revenue	\$(538,639)	(29.6)%	STA revenue will be less than budgeted because

Agenda Item

it was based on MTC's original lower estimate. There will be a substantial carryover to FY 2013

of current year revenue.

Measure J

\$(290,647) (8.9)% Measure J is under budget due to a timing difference. It is expected that Measure J will be on target by the end of the year.

Schedule 4 provides selected statistical information for the current year compared to the last two years:

Fixed route:

- Passenger fares are 3.8% more than FY 2011 and 1% more than FY 2010.
- The farebox recovery ratio is up compared to the last two years. The ratio is 17.4% in FY 2012; 17.1% in FY 2011 and 16.8% in FY 2010.
- Operating expenses are 3.8% more than in FY 2011 and 4.8% more than in FY 2010.
- Fixed route revenue hours are .2% less than FY 2011 and 3.5% less than FY 2010.
- The cost per revenue hour has increased 4.1% compared to FY 2011 and 8.6% compared to FY 2010.
- Passengers have decreased 2.5% compared to FY2011 and 1.5% compared to FY 2010.
- The cost per passenger has increased 6.4% compared to FY 2011 and 6.2% compared to FY 2010.
- Passengers per revenue hour have decreased 2.3% compared to FY 2011 and increased 2.1% compared to FY 2010.

Paratransit:

- Passenger fares have increased 17.1% over FY 2011 and 12.8% over FY 2010.
- The farebox ratio is more compared to FY 2011 and FY 2010. The ratio is 12.7% in FY 2012; 10.9% in FY 2011; and 11.4% in FY 2010.
- Expenses have decreased .6% from the prior year and 1.7% compared to FY 2010.
- Revenue hours are 3.6% less than FY 2011 and 6.3% less than FY 2010.
- Passengers have decreased 1% compared to FY 2011 and decreased 4.7% compared to FY 2010.
- The cost per passenger has increased 1.6% since FY 2011 and 6.7% compared to FY 2010.
- Paratransit passengers per revenue hour have increased 2.6% compared to FY 2011 and 1.7% compared to FY 2010.

Fixed Route Operator Wages (Schedule 5)

Schedule 5 compares various components of operator wages with the budget.

- Actual work time wages (Platform, turn in and report time) are 1.6% less than projected.
- Guarantees are 14.6% under budget.
- Overtime is 7.8% under budget.
- Training is 5.8% more than budget.
- Overall wages for operators are 2.3% under budget.

Inter Office Memo

May 29, 2012

TO: ADMINISTRATION AND FINANCE COMMITTEE

FROM: KATHY CASENAVE, DIRECTOR OF FINANCE REVIEWED:

SUBJECT: FY 2013 PROPOSED BUDGET AND FY 2012 ESTIMATED ACTUAL

FY 2013 Proposed Budget & FY 2012 Estimated Actual

The FY 2013 proposed operating budget totals \$32,679,423. Of this, fixed route is \$26,781,272 and Paratransit is \$5,398,151. The budget also includes a contingency line item of \$500,000. The only major change in this budget versus the draft presented in May is a decrease in STA revenue due to the Governor's May budget revision. This is a CCCTA staff estimate; a new estimate by MTC has not yet been published.

- Fixed route expenses for FY 2013 are projected to be \$1,488,820 (5.9%) more than the estimated actual for FY 2012.
- Paratransit expenses are projected to be \$102,153 (1.9%) more than the estimated actual for FY 2012.

The FY 2012 operating budget is \$32,544,296 which included a contingency line item of \$550,000. The actual operating expenses are projected to be under budget. There is no change from the estimated actual expenses reported in the May draft.

- Fixed route expenses, including the contingency, for FY 2012 are estimated to be \$1,657,445 (6.2%) less than the budget.
- Paratransit expenses for FY 2012 are estimated to be \$298,401 (5.3%) less than the budget.

The Key Assumptions Used for FY 2013 Budget & Ten-Year Draft Financial Forecast and TDA Reserve-

Operating Revenues- The * denotes a change from the May draft

Passenger Fares	FY 2012 Fixed route fares are projected to be 3.4% more than budgeted based on ytd actuals. Paratransit passenger fares for FY 2012 are projected to be 4.8% more than budgeted. The fares for FY 2013 are estimated to grow by 2%.
Special Fares	FY 2012 special fares are expected to be \$80,651 more than projected due to contracts with ITT Tech, Cal State, and an increase in Bishop Ranch revenue. FY 2013 projected revenue is estimated to be 1.7% more than FY 2012.

	FTA Preventive Maintenance	Preventive Maintenance will be \$1,082,792 less than projected for FY 2012 because certain maintenance costs that qualify for 80% reimbursement will be less. This amount will be carried over to FY 2013. The remaining preventive maintenance revenue that was converted from the FY 2011 bus purchase allocation will be used in FY 2013.
*	STA	The FY 2013 revenue has been reduced by \$233k for Fixed route and \$88K for Paratransit from the May draft. The Governor's May budget revision calls for about a 9.6% reduction in STA. MTC has not yet revised the estimates for each operator; the above reductions are based on CCCTA's staff estimate. The FY 2013 STA includes carryovers from FY 2012.
	Measure J	The Measure J revenue for FY 2013 is significantly higher- 12.5% for Fixed route and 22% for Paratransit based on CCTA projections.
*	TDA 4.0 & 4.5	FY 2013 fixed route TDA revenue earned has been increased by \$233k and Paratransit by \$88k due to the projected decrease in STA revenue.

Operating Expenses-

The forecast assumes no increase or decrease in fixed route hours.

Total Operating Expenses	Fixed route operating expenses for FY 2013 are budgeted to be \$1.5 million more than FY 2012 estimated actual. Most of the increase is due to diesel fuel, \$687k; wages and benefits, \$374k, and services, \$163k. Paratransit operating expenses for FY 2013 are budgeted to be
	\$102k more than estimated actual in the event that the vacant Paratransit Manager's position is filled.
PERS pension expense	PERS employer rate for FY 2013 is 5.219%; for FY 2014-FY 2017 the rates are estimated to be 5.5%, 5.9%, 6.8% & 8.3%, based on an investment rate of return is 2.93% (<i>what if scenario, PERS actuarial report of Oct 2011</i>). The 8.3% is used from then on.
Retiree Medical expense	Retiree medical expense of \$345,000 has been included in all years. This is based on the most current actuarial report.

<u>Key Assumptions for the Ten Year Forecast-(The * denotes a change from the Mayl draft)</u>

	Passenger Fares	Passenger fares are increased 2% annually for Fixed route and 3% for Paratransit. Fares increases are projected for FY 2014 and 2018.
	STA revenue	STA revenue for FY 2013 includes a carryover of FY 2012 unclaimed. The FY 2014 revenue is less than FY 2013 because of the carryover. The growth rate for the out years is 2.5%.
	Measure J	The growth rates used in the forecast are based on the Contra Costa Transportation Authority's revised Measure J Strategic Plan published in July 2011 are used- 3.02% for FY 2013-FY 2015 and 4.03% in FY 2016-FY 2019 & 4.54% FY 2020-2021.
	TDA Revenue	The latest TDA 4.0 revenue projections from the County Auditor-Controller's office have been positive. The FY 2012 projection has been increased from \$12,826,590 to \$13,704,703, a 4.89% increase over FY 2011 actual.
		For FY 2013, the projection is \$14,290,173, a 4.27% increase. The Auditor-Controller usually is conservative in projecting TDA revenue; during the last several years the actual revenue has been more than the estimate.
		TDA in the out years is projected to grow at the same rate as Measure J.
	Operating Expenses	An overall growth rate of between 2%- to 3.2% has been used for fixed route operating expenses, with most years at 2.7%. The growth rate for Paratransit expenses is 3% for all years.
	Retiree Medical expense	Retiree medical expense of \$345,000 has been included in all years. This is based on the most current actuarial report.
	PERS Expenses	PERS employer rate for FY 2014-FY 2017 are estimated to be 5.5%, 5.9%, 6.8% & 8.3%, based on an investment rate of return is 2.93% (<i>what if scenario, PERS actuarial report of Oct 2011</i>). The 8.3% ER rate is used from then on.
*	Capital Expenses/Revenue	Funding shortfalls in the capital program have been eliminated. If bridge toll/state bond funds are not available, TDA revenue will be used.
		Prior year funding carried over has freed up \$603k in TDA

revenue, compared to the May draft.

TDA Reserve-

The TDA reserve is projected to be positive throughout the 10 year forecast, although the reserve is less in the out years and is about one month's operating expenses in FY 2019 and FY 2020.

The capital revenue shortfall has been eliminated by using TDA for capital projects when no other funding is anticipated.

ACTION REQUESTED:

Staff is requesting that the Committee forward the budget to the Board of Directors with a recommendation of approval.

Inter Office Memo

AGENDA ITEM

To: A&F Committee **Date:** 05-31-2012

From: Lisa Rettig, Senior Manager of Human Resources Reviewed By:

SUBJECT: Adjustment to Non-Represented Employees Compensation

SUMMARY OF ISSUES:

The non-represented employees consist of management and non-management administrative employees. This group of employees last received an increase on July 1, 2009. This was due to the Authority's very poor financial situation.

These non-represented employees have worked harder than ever over the last three years despite a lack of increases in compensation. As you will recall, the Authority is covering less than half of the total monthly premiums for health care with the employee picking up the reminder.

It looks reasonably certain that for FY13 the Authority can prudently afford a small increase for these non-represented employees.

The General Manager requests a 2% increase for unrepresented employees and a merit pool of \$37,600 for management employees. Management compensation increases are not automatic. Non-management employees receive increases provided they are proficient in their position. Managers receive their increase based on merit. This merit pool would be distributed to management level employees at the discretion of the General Manager.

FINANCIAL IMPLICATIONS:

The cost for a 2% increase is \$30,000. This amount is included in the FY13 Budget, as is the \$37,600 merit pool.

ACTION REQUESTED:

The A&F Committee is respectfully requested to forward the above recommendations to the full Board in the form of a resolution.
