**SUBJECT: Prop 1B California Transit Security Funding**

---

**Summary of Issues:**

CCCTA has received \$116,919 a year from California Emergency Management Agency (CalEMA) in Prop 1B Transit Security (TSGP) funds since 2008.

- 2008 - approved and spent for on-board cameras
- 2009 - approved for perimeter security (gates)
- 2010 - approved and spent for ITS routers
- 2011 - approved for on-board cameras
- 2012 - in progress for on-board cameras

In 2012 staff has proposed to continue to upgrade the on-board cameras on the older buses with the funds. It is relatively easy to upgrade the on-board cameras and the upgrade to new equipment has greatly enhanced its usefulness.

**Recommendation:**

The Administration and Finance Committee recommends that the Board of Directors support the use of TSGP funds to upgrade on-board cameras and that they approve resolution 2013-004.

**Financial Implications:**

Additional funds for security projects
