SUBJECT: Walnut Creek Route 4 Extended Hours

Background:

At the City of Walnut Creek's request, County Connection has provided extended hours on Route 4, during the holiday season. This service typically runs from the Friday after Thanksgiving to sometime around New Year's. Last year was the first time the Broadway Plaza developer elected not to pay the City for the additional service. The City agreed to incur these costs directly, on a one-time basis, while they identified a new source of funding.

County Connection staff has been informed that neither the Broadway Plaza developer nor the City of Walnut Creek will be paying for the extended service this year. With the funding source no longer available, County Connection cannot provide extended service.
