

## INTER OFFICE MEMO

To: Board of Directors

Date: June 21, 2018

From: Erick Cheung, Chief Finance Officer

**SUBJECT: Adoption of Gann Appropriations Spending Limitation for FY 2018-2019**

### Summary of Issues:

Pursuant to California Constitution Article XIII (B) (Proposition 4), public entities are required to conform to budgetary guidelines set forth in the Gann Initiative. The purpose of Article XIII (B) is to constrain fiscal growth in government by limiting the proceeds of taxes that may be appropriated each year. Each year's limit may be adjusted for changes in cost of living (*California per capita income*) and population. For special districts, if the district is located entirely within one county, the *county's population* change factor is to be used. That is the case with County Connection. The limit may also be changed in the event of a transfer of fiscal responsibility.

The California Revenue and Taxation Code, section 2227, mandates that the Department of Finance transmit an estimate of the percentage change in population to local governments. The Department of Finance also transmits the change in the cost of living, or price factor.

The formula for calculating the appropriations spending limit is:

1. Population percentage change x price increase/decrease factor=ratio of change
2. Ratio of change x 2017-18 spending limit = 2018-19 spending limit.

Based on the above formula, the spending limit for County Connection is:

1. Population percentage change x price increase/decrease factor=ratio of change  
 $1.0088 \times 1.0367 = 1.0458$
2. Ratio of change x 2017-2018 spending limit =2018-2019 spending limit:  
 $1.0458 \times \$71,604,709 = \$74,884,205$

Based on the above calculations, **the Gann appropriations spending limit for FY 2018-2019 is \$74,884,205** (Exhibit A). The actual County Connection non-federal appropriations budget for FY 2018-2019 is \$40,235,096, which is \$34,649,109 below the spending limitation.

### Recommendation:

By State law, the County Connection Board of Directors must adopt an appropriations limitation. The A&F Committee recommends the Board of Directors approve the Gann appropriations spending limitation of \$74,884,205 for FY 2018-19.
