

## 2019-MA-04 BUS ADVERTISING SERVICES RFP

# Question, Answers, and Clarifications

*Issued August 22, 2019*

1. Whether companies from Outside USA can apply for this?

**The Scope of Work requires that the Contractor operates an office within or near the County Connection service area (See Attachment I, Section 1.D)**

2. Whether we need to come over there for meetings?

**No, meetings at County Connection offices would not be required.**

3. Can we perform the tasks (related to RFP) outside USA?

**No, the Contractor would be responsible for installation and removal of advertising on County Connection buses, which would need to be performed onsite at our yard in Concord, CA.**

4. Can we submit the proposals via email?

**No, proposers must submit 5 hardcopy proposals.**

5. How does the county define reasonable access to the buses? Can the county provide timeframes for daily access?

**Our current contractor typically accesses the vehicles at night, starting around 8pm or 9pm. However, we're open to working with the next contractor to determine the best timeframes for access.**
