**SUBJECT: CalTIP Bylaws Amendment**

---

**Summary of Issues:**

County Connection joined California Transit Systems Joint Powers Authority (CalTIP) in 1987 to obtain liability coverage, vehicle physical damage coverage and risk management services through jointly pooling resources with the other transit agencies that are members of the Authority. CalTIP has provided competitive rates and needed risk management services over the years. As were many other self-insurance pools, CalTIP was formed in 1987 during a difficult time for public entities to obtain coverage from the insurance market. Although the difficulty of obtaining insurance from the standard markets eventually waned, the coverage provided by the insurance industry usually was not tailored to the specific needs of the public entities and did not provide the tailored risk management services.

CalTIP was formed with the signing of a Joint Powers Agreement (Agreement) by each of its members in 1987 and was last amended in May 2011. At that time, it was to align with current operations and practices of CalTIP.

The current amendments to the Agreement are the result of discussions with CalTIP's Oversight Committee and Board to address CalTIP's ongoing challenges associated with achieving certain quorum requirements at Board meetings in order to conduct business and to ensure the governing documents align with CalTIP's current practices and procedures.

CalTIP's draft Agreement and Bylaws with changes were shown to all CalTIP members on April 3, 2019, to provide members with time to review the changes, provide comments, and ask questions.

At its April 18th meeting, the CalTIP Board approved the amended Agreement. In addition, the CalTIP Board approved the Bylaws as amended to become effective upon approval of the Agreement. While the CalTIP Board has the authority to approve the amendments to the CalTIP Bylaws, because the Agreement makes reference to that document, it has been included for informational purposes.

The Agreement needs to be adopted by the governing bodies of at least three-fourths of the members of CalTIP, although CalTIP believes it best to have all members adopt the amended Agreement. The amendments are intended to address ongoing challenges with quorum requirements and provide the CalTIP Board the flexibility and ability to make decisions and carry-forth initiatives in a more expeditious manner to the benefit of the organization. Each member, including County Connection, has representation on the CalTIP Board of Directors and each director has similar interests as County Connection in the operations of CalTIP because each member is a transit agency similar to County Connection. Thus, the A&F Committee and staff respectfully requests the Board pass the attached Resolution No. 2020-01.
