Kevin Finn, Contracts and Grants Manager for County Connection, called the meeting to order at 10:00 AM.

All questions and answers, and approved equals and clarifications will be posted on County Connection's website at [countyconnection.com](http://countyconnection.com).

Steve Muhlestein, project manager, gave an overview of the project.

-The Maintenance Building and Bus Wash Building are to have the lower four feet portion painted, as well as, the red stripe and gold mountains.

-The Paratransit Building and Administration Building are to have the blue colored upper fascia painted, only.

-Any and all areas including fascia, gutters, trim or field that are currently blue are to be painted white.

-To clarify, we are requiring one coat of primer plus two top coats.

-There is to be one (1) Bid for all four (4) buildings.

-To clarify, Contractor is responsible for power washing the buildings before painting.

Kevin stated that this project will be taken to our Board of Directors Thursday, November 21 for approval.

Any Addendums will be posted on our website.

Bid document is on our website at [countyconnection.com](http://countyconnection.com).

At this time the attendees went on a job walk with the project manager.
