ADMINISTRATION & FINANCE COMMITTEE MEETING AGENDA

Wednesday, June 7, 2023 2:00 p.m.

County Connection Administration Office 2477 Arnold Industrial Way 3rd Floor Conference Room Concord, CA 94520

The committee may take action on each item on the agenda, even items that are listed as "information only". The action may consist of the recommended action, a related action or no action. Staff recommendations are subject to action and/or change by the committee.

- 1. Approval of Agenda
- 2. Public Communication
- 3. Approval of Minutes of May 3, 2023*
- 4. FY 2023-24 SB1 State of Good Repair Funds*
 (Staff proposes applying for a grant amount of \$139,859 in FY 2023-24 SGR funds to pay for the ongoing maintenance expenses related to onboard ITS systems.)
- 5. Clipper START and Youth Fare Pilot Update and Extension*
 (Staff requests that the Committee forward to the Board for approval a two-year extension of the Clipper START and Youth Fare discount pilot programs through June 30, 2025.)
- 6. Amendment to the Cap and Trade Grant (LCTOP) Resolution—FY 2022-23* (Staff recommends that the A&F Committee forward the amended resolution to the Board of Directors for approval.)
- 7. Adjustment to Non-Represented Administrative Employees Compensation*
 (Staff requests that the Committee forward to the Board of Directors for approval a 5% increase adjustment in the compensation for Non-Represented Administrative Employees and a Merit Pool for select management employees not to exceed \$308,000 in total.)

FY2022/2023 A&F Committee

Jim Diaz – Clayton, Laura Hoffmeister-Concord, Sue Noack-Pleasant Hill

Clayton • Concord • Contra Costa County • Danville • Lafayette • Martinez

Moraga • Orinda • Pleasant Hill • San Ramon • Walnut Creek

^{*}Enclosure

^{**}Enclosure for Committee Members

^{***}To be mailed under separate cover

^{****}To be available at the meeting.

- 8. Adoption of Gann Appropriations Spending Limitation for FY 2023-2024* (Staff requests that the Committee forward to the Board of Directors for approval the Gann appropriations spending limitation of \$96,319,521 for FY 2023-24.)
- Revised Fiscal Year 2024 Draft Budget and Forecast*
 (Staff requests that the Committee provide comments and forward the draft to the Board of Directors with a recommendation of approval to adopt the FY 2024 Budget following a public hearing.)
- 10. Review of Vendor Bills, May 2023**
- 11. Approval of Legal Services Statement, March 2023 General, March 2023 Labor**
- 12. Next Scheduled Meeting July 5, 2023
- 13. Adjournment

General Information

<u>Public Comment</u>: If you wish to address the committee, please follow the directions at the top of the agenda. If you have anything that you wish distributed to the committee and included for the official record, please include it in your email. Comments that require a response may be deferred for staff reply.

<u>Consent Items</u>: All matters listed under the Consent Calendar are considered by the committee to be routine and will be enacted by one motion. There will be no separate discussion of these items unless requested by a committee member or a member of the public prior to when the committee votes on the motion to adopt.

<u>Availability of Public Records:</u> All public records relating to an open session item on this agenda, which are not exempt from disclosure pursuant to the California Public Records Act, that are distributed to a majority of the legislative body, will be made available for public inspection by posting them to County Connection's website at www.countyconnection.com. The agenda and enclosures for this meeting are posted also on our website at www.countyconnection.com.

Accessible Public Meetings: Upon request, County Connection will provide written agenda materials in appropriate alternative formats, or disability-related modification or accommodation, including auxiliary aids or services, to enable individuals with disabilities to participate in public meetings and provide comments at/related to public meetings. Please submit a request, including your name, phone number and/or email address, and a description of the modification, accommodation, auxiliary aid, service, or alternative format requested at least two days before the meeting. Requests should be sent to the Assistant to the General Manager, Lathina Hill, at 2477 Arnold Industrial Way, Concord, CA 94520 or hill@cccta.org. Requests made by mail must be received at least two days before the meeting. Requests will be granted whenever possible and resolved in favor of accessibility.

Currently Scheduled Board and Committee Meetings

Board of Directors: June 15, 9:00 a.m., County Connection Board Room 2477 Arnold

Industrial Way, Concord, CA 94520

Administration & Finance: Wednesday, July 7 County Connection Administrative Offices,

2477 Arnold Industrial Way, Concord, CA 94520

Advisory Committee: TBA. Location TBD

Marketing, Planning & Legislative: Thursday, June 1, 8:30 a.m., Supervisor Andersen Office

3338 Mt. Diablo Blvd, Lafayette, CA

Operations & Scheduling: Wednesday, June 7, 8:00 a.m., Supervisor Andersen Office

3338 Mt. Diablo Blvd, Lafayette, CA

The above meeting schedules are subject to change. Please check the County Connection Website (www.countyconnection.com) or contact County Connection staff at 925/676-1976 to verify date, time, and location.

This agenda is posted on County Connection's Website (www.countyconnection.com) and at the County Connection Administrative Offices, 2477 Arnold Industrial Way, Concord, California

Summary Minutes Administration & Finance Committee

County Connection Administration Office 2477 Arnold Industrial Way 3rd Floor Conference Room Concord, CA 94520

Wednesday, May 3, 2023, 2:00 p.m.

Directors: Sue Noack, Laura Hoffmeister, Jim Diaz

Staff: Bill Churchill, Ruby Horta, Amber Johnson, Rashida Kamara, Rosa Noya

Public: None

Call to Order: Meeting called to order at 2:03 p.m. by Director Noack.

1. Approval of Agenda

The Committee approved the agenda.

2. Public Communication

None.

3. Approval of Minutes of April 5, 2023

The Committee approved the minutes.

4. Recommendation to engage Tranova LLC as a Non-Emergency Medical Transportation Management Services contractor to oversee Medical Reimbursement Program for ADA Eligible Trips

Ms. Kamara reported that, under the direction of the Operating & Scheduling (O&S) Committee, staff released a Request For Proposals (RFP) for a Non-Emergency Medical Transportation (NEMT) management service to assist County Connection in qualifying as an NEMT provider and identifying eligible trips that could be reimbursed through the NEMT program. One qualified response to the RFP was received from Tranova LLC. Tranova proposed a one-time set-up fee of \$49,500 plus an hourly rate of \$150 per hour for ongoing support. Fees to run the program are estimated to be completely recouped by the revenue-generating potential of the program, which is estimated at \$240,000 per year. Ms. Kamara reported that the neighboring agency TriDelta has been participating in the NEMT program for several years and helped advise County Connection staff on the process. Director Hoffmeister asked what funding source would be used to pay the start up costs in case the program revenue was slow to perform; Ms. Johnson stated that Transportation Development Act (TDA) funds would be utilized. The Committee agreed unanimously to recommend this item to the Board, and to request approval to authorize the General Manager to enter into an agreement with Tranova LLC for management of NEMT services.

5. Review of Updates to Fiscal Year 2024 Draft Budget and Forecast

Ms. Johnson provided a brief update on changes that have been made to the draft budget since its adoption at the Board in April. Two changes have been made: increasing the fuel budget (both diesel and gasoline) in response to continuing volatility in the markets, and shifting some capital dollars for office furniture and equipment to the operating side. The shift of funds from capital to operating represents a change in internal procedures for capitalizing assets. The Committee was agreeable to the changes. This item was information only.

6. Review of Vendor Bills, April 2023

The Committee reviewed the vendor bills for April 2023.

7. Approval of Legal Services Statement, February 2023 Labor, February 2023 General

The Committee approved the legal services statements for February 2023 Labor and General.

8. Next Scheduled Meeting – June 7, 2023

The next meeting was scheduled for June 7th at 2:00 p.m. at the County Connection Offices located at 2477 Arnold Industrial Way, Concord, CA.

9. Adjournment – The meeting was adjourned at 2:54 p.m.

SUBJECT: FY 2023-24 SB1 State of Good Repair Funds

Background:

Senate Bill 1 (SB1) provides over \$100 million annually to transit operators for eligible transit maintenance, rehabilitation and capital projects. These funds are referred to as State of Good Repair (SGR). The SGR Program is funded from a portion of a new Transportation Improvement fee on vehicle registrations. Based on the latest State Controller's Office (SCO) allocation estimate, County Connection is eligible to receive \$139,859.

Eligible projects for SGR funding include security equipment and systems as well as preventative maintenance. Staff is proposing to use SGR funds to support the ongoing maintenance of our onboard technology, including radio, onboard computer, and CAD/AVL systems.

Financial Implications:

Using FY 2023-24 SGR funds to pay for ongoing ITS maintenance costs will directly offset operating expenses.

Recommendation:

Staff recommends applying for a grant amount of \$139,859 in FY 2023-24 SGR funds to pay for the ongoing maintenance expenses related to onboard ITS systems.

Action Requested:

Staff requests that the A&F Committee forward this item to the Board for approval. The accompanying resolution will be included in the Board packet.

SUBJECT: Clipper START and Youth Fare Pilot Update and Extension

Background:

In November 2020, the Board approved the Clipper START and Youth Fare pilot programs. These one-year pilot programs were launched on January 25, 2021 and provide a 20% discount off the Clipper single-ride fare for eligible low-income adults as part of the regional Clipper START program, and for youth ages 6-18 when using a Youth Clipper card. In September 2021, due to the COVID-19 pandemic and its impact on transit ridership, the Board approved an 18-month extension of the pilot until June 30, 2023.

The Metropolitan Transportation Commission (MTC) has been administering the Clipper START program and providing funding during the pilot period to offset some of the fare revenue losses. However, because the Clipper START program is only available to adults, a discount for youth was also implemented to address potential inequity between low-income adults and low-income youth. Staff completed a Title VI analysis as well as public outreach for both programs prior to implementation.

Program Usage:

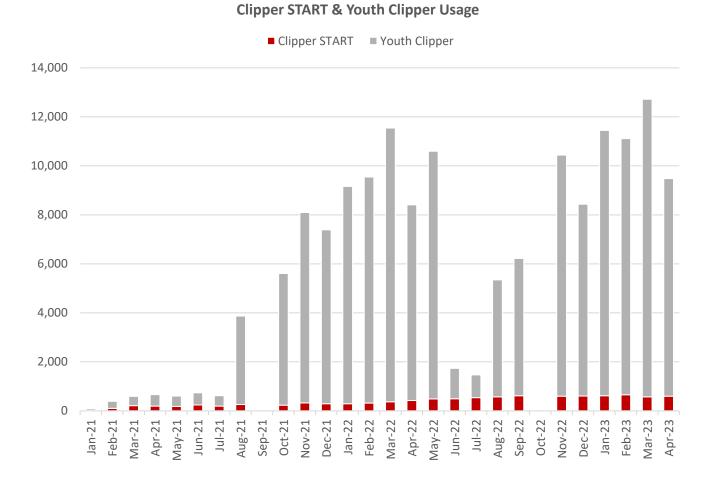

The pandemic has had a significant impact on ridership, so usage of the two discount programs over the first several months was very low. However, the return of schools to in-person learning in August 2021 resulted in a significant increase in the number of youth riders. The chart on the next page shows a breakdown of monthly ridership by discount program.

Youth Clipper usage fluctuates with the start and end of school and tends to be lower at the beginning of the school year due to the availability of 511 Contra Costa's Pass2Class program. The Pass2Class program offers free fares for a specified period, paid for by 511 Contra Costa. Over the past six months, Youth Clipper ridership has been averaging about 10,000 rides per month. Usage of the Clipper START program has remained more static and is averaging about 600 rides per month. Although youth ridership has increased significantly since schools reopened, ridership growth overall has been very gradual as many businesses and workplaces have taken a phased or hybrid approach to reopening.

Staff originally estimated revenue losses of \$120,000 for the youth fare discount and \$328,000 for the Clipper START discount during the one-year pilot based on pre-COVID ridership levels. When accounting for subsidies from MTC, the total net loss was estimated to be \$308,000 for both programs combined. These estimates were very conservative since they were based on pre-pandemic ridership levels and full adoption among eligible riders, many of whom use routes that are free.

Since the start of the pilot in January 2021 through April 2023, total revenue losses based on actual usage have been approximately \$55,000 for the youth fare discount and \$3,000 for the Clipper START discount.

Since MTC has reimbursed \$1,500 for the Clipper START program, net revenue losses to date have been about \$56,500.

Evaluation and Extension:

MTC conducted an evaluation for the initial Clipper START pilot period to assess program delivery and impacts on advancing equity. Although Clipper START usage has been growing at a faster rate than overall transit ridership across the region, several strategies were identified to improve the effectiveness of the program and increase participation. MTC staff will be proposing to extend the pilot for another two (2) years until June 30, 2025 in order to implement and assess these strategies.

While the majority of the strategies are related to marketing, outreach, and enrollment, one is to provide a more consistent discount across operators. Currently, most operators—including County Connection—offer a 20% discount, half of which is reimbursed by MTC. However, several other operators elected to offer a 50% discount and assumed responsibility for the additional lost fare revenue above the base 20% discount. In order to incentivize participation and consistency, MTC is proposing to increase its contribution and reimburse up to half of the 50% discount.

Given the interconnected fare structures of the East Bay operators, staff met with the other three small operators (WestCAT, TriDelta, and LAVTA) and agreed to move forward with a 50% discount. This would align the Clipper START and Youth fare discounts with those currently offered to seniors and persons with disabilities. BART has indicated that they plan to increase their discount to 50% as well. Since an increased discount would constitute a fare change, staff will need to conduct a Title VI fare equity analysis and public hearing prior to seeking Board approval. If approved by September, the fare change would take effect in January 2024.

Financial Implications:

Assuming continuation of the current 20% discount, staff does not anticipate a significant growth in usage of either discount program. Based on ridership data from the past six months, total net revenue losses from a two-year extension would be about \$100,000, which is still much lower than the original estimate for the pilot of over \$300,000. Staff will be developing revenue loss estimates for a potential 50% discount, which will be presented to the Committee and Board for consideration and approval later this summer.

MTC is also proposing a change to the Clipper START subsidy approach and will be providing a one-time upfront payment to transit operators based on anticipated fare revenue losses over the entire two-year extension as opposed to quarterly reimbursement payments. This will include a guaranteed minimum of \$15,000 per operator, an estimated percentage for anticipated increased usage, and a buffer to offset any underestimations. MTC and transit operator staff will be working to finalize the exact formulas and amounts in the coming months.

Recommendation:

Staff recommends approval of a two-year extension of the Clipper START and Youth Fare discount pilot programs through June 30, 2025. The discount would remain at 20% through December 2023, and, pending future Board approval, increase to 50% starting in January 2024.

Action Requested:

Staff requests that the A&F Committee forward this item to the Board for approval.

SUBJECT: Amendment to the Cap and Trade Grant (LCTOP) Resolution-FY 2022-23

Background:

The Low Carbon Transit Operations Program (LCTOP) provides cap-and-trade funding for transit in order to reduce greenhouse gas (GHG) emissions and improve mobility, with a priority on serving disadvantaged communities (DACs). Over time, the guidelines for eligible projects have been revised, allowing for increased flexibility in the use of these funds. In the last few years, County Connection has utilized these funds to operate Route 99X, connecting the Martinez Amtrak Station to BART via Pacheco Blvd. and Morello Ave., and to increase weekend service on Route 316. Both of these routes serve the DAC within County Connection's service area. Since FY 2018-19, with the passage of Senate Bill 1119 (SB 1119), County Connection was able to implement the fare subsidy project in the Monument Corridor on Routes 11, 14, 16, 311, 314 and 316.

Amendment Request:

At the March 2023 meeting, the Board of Directors adopted Resolution No. 2023-028 approving the allocation of \$1,479,291 in LCTOP funding towards the Martinez Amtrak to BART and Monument Free projects as shown below.

| | FY 2018-19 | FY 2019-20 | FY 2020-21 | FY 2021-22 | FY 2022-23 |
|--------------------------|--------------|--------------|------------|--------------|--------------|
| Cap & Trade Allocations | | | | | |
| Revenue Based (99314) | \$ 161,497 | \$ 165,597 | \$ 91,133 | \$ 214,031 | \$ 201,000 |
| Population-Based (99313) | \$ 971,709 | \$ 963,733 | \$ 542,538 | \$ 1,269,952 | \$ 1,192,000 |
| Total Revenues | \$ 1,133,206 | \$ 1,129,330 | \$ 633,671 | \$ 1,483,983 | \$ 1,479,291 |
| Projects Funded | | | | | |
| Martinez Amtrak to BART | \$ 375,378 | \$ 215,710 | \$ 215,710 | \$ 600,619 | \$ 611,179 |
| Monument Free | \$ 757,829 | \$ 913,620 | \$ 417,961 | \$ 883,364 | \$ 868,112 |
| Total Expenses | \$ 1,133,207 | \$ 1,129,330 | \$ 633,671 | \$ 1,483,983 | \$ 1,479,291 |

Following staff's initial submission of the LCTOP funding allocation request, comments were received from Caltrans to include Metropolitan Transportation Commission (MTC) as a Contributing Sponsor on the Board resolution.

Financial Implications:

Based on final apportionment amounts for FY 2022-23, County Connection will receive a total of \$1,479,291 in LCTOP funds. Staff plans to use \$611,179 to operate service within the DAC, and \$868,112 to subsidize fares on routes serving the Monument Corridor.

Recommendation:

Staff recommends using LCTOP funds to operate service between Martinez Amtrak and North Concord BART and to subsidize fares on routes serving the Monument Corridor.

Action Requested:

Staff requests that the A&F Committee forward the amended resolution that recognizes the Metropolitan Transportation Commission (MTC) as a Contributing Sponsor to the Board for approval.

Resolution 2023-038

RESOLUTION NO. 2023-038

BOARD OF DIRECTORS CENTRAL CONTRA COSTA TRANSIT AUTHORITY STATE OF CALIFORNIA

* * *

AUTHORIZATION FOR THE EXECUTION OF THE CERTIFICATIONS AND ASSURANCES AND AUTHORIZED AGENT FORMS FOR THE LOW CARBON TRANSIT OPERATIONS PROGRAM (LCTOP) FOR THE FOLLOWING PROJECT(S):

(MARTINEZ AMTRAK TO BART, \$611,179 AND FARE SUBSIDY FOR ROUTES 11, 14, 16, 311, 314 AND 316, \$868,112)

WHEREAS, the County of Contra Costa and the Cities of Clayton, Concord, the Town of Danville, Lafayette, Martinez, the Town of Moraga, Orinda, Pleasant Hill, San Ramon and Walnut Creek (hereinafter "Member Jurisdictions") have formed the Central Contra Costa Transit Authority ("CCCTA"), a joint exercise of powers agency created under California Government Code Section 6500 *et seq.*, for the joint exercise of certain powers to provide coordinated and integrated public transportation services within the area of its Member Jurisdictions;

WHEREAS, the CCCTA is an eligible project sponsor and may receive state funding from the Low Carbon Transit Operations Program ("LCTOP") now or sometime in the future for transit projects;

WHEREAS, the statutes related to state-funded transit projects require a local or regional implementing agency to abide by various regulations;

WHEREAS, the California Department of Transportation ("Department") is the administrative agency for the LCTOP;

WHEREAS, the Department has developed guidelines for the purpose of administering and distributing LCTOP funds to eligible project sponsors (i.e., local agencies);

WHEREAS, the CCCTA wishes to delegate authorization to execute these documents and any amendments thereto to Melody Reebs, Director of Planning, Marketing, & Innovation; and

WHEREAS, the CCCTA wishes to implement the LCTOP project(s) listed below.

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors of the Central Contra Costa Transit Authority that CCCTA agrees to comply with all conditions and requirements set forth in the applicable statutes, regulations and guidelines for all LCTOP funded transit projects;

BE IT FURTHER RESOLVED that Melody Reebs, Director of Planning, Marketing, & Innovation, be authorized to execute all required documents of the LCTOP program and any amendments thereto with the California Department of Transportation; and

BE IT FURTHER RESOLVED by the Board of Directors of the Central Contra Costa Transit Authority that it hereby authorizes the submittal of the following project nomination(s) and allocation request(s) to the Department in FY 2022-23 LCTOP funds:

| Project Names: | |
|---|--|
| (1) Martinez Amtrak to BART Amount of LCTOP funds requested: \$611,179 Short description: This route directly serves a disad | vantaged community. |

To: Administration & Finance Committee **Date:** 05/31/2023

From: Amber Johnson, Chief Financial Officer Reviewed by: UC.

SUBJECT: Adjustment to Non-Represented Administrative Employees Compensation

Background:

County Connection employees consist of the following groups: Transit Operators, Transit Supervisors, Maintenance and Administrative staff. The Administrative employee group is the only non-represented group. The other three employee groups are all represented by a separate union with distinct Memorandums of Understanding (MOU).

Summary of Issues:

It looks reasonably certain that for FY24 the Authority can prudently afford an increase for the non-represented employees.

The General Manager requests a 5% cost of living adjustment ("COLA") for all satisfactorily performing administrative employees effective July 1, 2023 (see Attachment 1). This is the same percentage increase included in all three of the recently negotiated MOUs for the represented employees.

The General Manager also requests a Merit Pool not to exceed \$50,000, to be allocated at the General Manager's discretion, to employees in Grade 10 and above who are not part of the step increase system and are meeting performance standards as assessed by their supervisors.

Financial Implications:

The cost for the above requested increases will not exceed \$308,000 and is included in the proposed FY 2024 budget.

Recommendation:

Staff recommends that the A&F Committee review and discuss the proposed 5% COLA and \$50,000 merit pool allocation, for a not to exceed total cost of \$308,000.

Action Requested:

Staff requests the A&F Committee forward the COLA and merit pool proposal to the full Board of Directors with a recommendation for approval at the June meeting.

SUBJECT: Adoption of Gann Appropriations Spending Limitation for FY 2023-2024

Background:

Pursuant to California Constitution Article XIII (B) (Proposition 4), public entities are required to conform to budgetary guidelines set forth in the Gann Initiative. The purpose of Article XIII (B) is to constrain fiscal growth in government by limiting the proceeds of taxes that may be appropriated each year. Each year's limit may be adjusted for increase in cost of living (*California per capita income*) and population. For special districts, if the district is located entirely within one county, the *county's population* change factor is to be used. That is the case with County Connection. The limit may also be changed in the event of a transfer of fiscal responsibility.

The California Revenue and Taxation Code, section 2227, mandates that the Department of Finance transmit an estimate of the percentage change in population to local governments. The Department of Finance also transmits the change in the cost of living, or price factor.

Gann Limit Calculation:

The formula for calculating the appropriations spending limit is:

- 1. Population percentage change x price increase/decrease factor = ratio of change
- 2. Ratio of change x 2022-23 spending limit = 2023-24 spending limit.

Based on the above formula, the spending limit for County Connection is:

- 1. Population percentage change x price increase/decrease factor=ratio of change $0.9964 \times 1.0444 = 1.0406$
- 2. Ratio of change x 2022-2023 spending limit = 2023-2024 spending limit: $1.0406 \times $92,557,951 = $96,319,521$

Based on the above calculations, **the Gann appropriations spending limit for FY 2023-2024 is \$96,319,521** (Attachment 1). The actual County Connection non-federal appropriations budget for FY 2023-2024 is \$50,300,889, which is \$46,018,632 below the spending limitation.

Financial Implications:

There is no direct financial implication as a result of the calculation of the Gann limit, since the limit far exceeds the appropriations budget.

Recommendation:

Staff recommends the A&F Committee review and approve the calculation of the Gann appropriations spending limitation of \$96,319,521 for FY 2023-24.

Action Requested:

By State law, the County Connection Board of Directors must adopt an appropriations limitation. The staff requests the A&F Committee approve and forward the calculation of the Gann appropriations spending limitation of \$96,319,521 for FY 2023-24 to the Board.

SUBJECT: Fiscal Year 2024 Proposed Budget and Forecast Update

Background:

County Connection's Fiscal Year (FY) 2024 Operating and Capital Budget is presented to the Administration and Finance Committee for review, discussion, and referral to the Board of Directors for approval. The draft budget was presented to the Committee and approved by the Board in April so that staff could submit a Transportation Development Act (TDA) claim to the Metropolitan Transportation Commission (MTC). The final proposed budget document is attached to this staff report and includes certain revisions from the prior version as detailed below.

The budget includes an Operating Budget, a Capital Budget, and a multiyear forecast of revenues and expenditures. In general, Staff have taken a conservative approach to forecasting while still presenting a budget that provides services to meet the needs of Central Contra Costa County transit riders.

Budget Summary:

County Connection's draft budget for July 1, 2023 to June 30, 2024 (Fiscal Year 2024) proposes \$49.7 million in operational expenses for fixed route and paratransit services with revenues to offset these costs. An additional \$6.5 million is proposed in capital expenditures and associated revenue in the budget year.

The proposed FY 2024 is based on a continued projected recovery of fixed route and paratransit services post-pandemic. While federal stimulus funds provided much-needed relief from the worst of the financial impacts of the pandemic, changing travel patterns and work from home trends have made a lasting impact to the way transit is utilized in the community and the larger region. State and local revenues have recovered significantly; however, many are not expected to meet pre-pandemic projections. Even as reliable revenue streams return, it is important to remember that the Authority lost a couple years of revenue growth during the pandemic while contractual and inflationary factors that drive expense growth saw significant increases.

The operating expense budget of \$49.7 million is a 5 percent increase over the FY 2023 budget and allows for fixed route service to continue at existing levels, with an optimistic assumption that vacant operator positions will be filled during the fiscal year. The capital budget of \$6.5 million includes significant multi-year facility upgrade plans, funded by TDA capital.

| Fixed Route | \$ 250,00 | 0 \$ 28,068,000 | \$ 28,068,000 | \$ 6,511,000 | -76.8% |
| Paratransit | \$ | - \$ 1,500,000 | \$ 1,500,000 | \$ - | -100.0% |
| Subtotal | \$ 250,00 | 0 \$ 29,568,000 | \$ 29,568,000 | \$ 6,511,000 | -78.0% |
| Grand Total | \$ 39,566,25 | 1 \$ 76,883,494 | \$ 74,666,801 | \$ 56,188,889 | -24.7% |

The budget document attached to this report provides additional information and trends for the fixed route and paratransit operations budget and associated revenue.

Final Budget Compared to Draft Budget:

The proposed final budget for FY 2024 includes the following changes from the draft version:

- Increased Measure J revenue by \$471,340 in recognition of FY 2022 reconciliation to be distributed with the FY 2024 allocation.
- Increase diesel fuel expenditure by \$200,000 and gasoline expenditure by \$6,000 based on current trends for fuel prices in today's markets.
- Shift certain capital expenditures to operating expenditures \$50,000 in office furniture and \$95,000 in IT equipment due to an internal procedure change in capitalization thresholds
- Decreased TDA operating revenue utilization by \$120,340 and capital revenue utilization by \$145,000 as a result of the above adjustments

Financial Implications:

Implementing these changes to the final adopted budget would result in an increase of \$206,000 in expenditures and revenues, bringing the total expenditure authority from \$55,982,889 to \$56,188,889.

Recommendation:

Staff recommends the Committee review and provide comment on the proposed FY 2024 Operating and Capital Budget.

Action Requested:

Staff requests that the Committee provide comments and forward the draft to the Board of Directors with a recommendation for approval to adopt the FY 2024 Operating and Capital Budget following a public hearing.

COUNTY CONNECTION OVERVIEW

The Central Contra Costa Transit Authority (the "Authority" or "County Connection") is a public transit agency operating fixed-route bus and ADA paratransit (County Connection LINK) service in and around Central Contra Costa County in the San Francisco Bay Area. County Connection is a Joint Powers Authority (JPA) formed in 1980, with one member of each jurisdiction comprising its 11-member Board of Directors. The jurisdictions that make up County Connection are the cities of Clayton, Concord, Lafayette, Martinez, Orinda, Pleasant Hill, San Ramon, Walnut Creek; the towns of Danville and Moraga; and certain unincorporated areas of Central Contra Costa County.

County Connection serves a dynamic and diverse modern suburban area that is spread out over a wide geographic area. County Connection patrons are economically diverse, and often transit dependent. Without County Connection services, many central Contra Costa County residents would have no transportation available for work, school, medical appointments or to take advantage of recreational opportunities. More information about County Connection can be found at www.countyconnection.com.

County Connection Service Profile

BUDGET SUMMARY

The FY 2024 Budget proposes \$49.7 million in operating expenses for fixed route and paratransit services with revenues to offset these costs. An additional \$6.5 million is proposed in capital expenditures and associated revenue in the budget year. County Connection's main revenue source is Transportation Development Act (TDA) 4.0 funds from the Metropolitan Transportation Commission (MTC). The budget proposes using \$27 million in TDA funds, which is \$2.3 million more than the \$24.8 million that MTC estimates will be allocated. The excess \$2.3 million will be drawn from the Authority's TDA reserves and includes \$6.5 million being utilized in the capital program. At the end of FY 2024, the Authority's TDA reserve is projected to be \$34.5 million.

COVID-19 Impacts

It has been three years since the COVID-19 pandemic resulted in shelter-in-place orders across the nation and world. The State of California ended its state of emergency orders on February 28, 2023, and the United States Government similarly ended its national emergency orders on May 11, 2023. With the worst of the COVID-19 crisis in the past, many residents of Contra Costa County have resumed their daily activities free from the restrictions in place during the pandemic. However, commute patterns post-pandemic have seen significant changes, with many commuters now exercising the option to telecommute. County Connection routes are tracking continued steady ridership growth post-pandemic, with essential workers and student riders returning to the system more quickly than commute riders.

One-time federal stimulus funding, combined with a 13% reduction to service hours in October 2020, allowed the Authority to ensure continuity of transit services and preservation of jobs throughout the pandemic. Fortunately, the financial uncertainties resulting from the COVID-19 pandemic have diminished considerably. However, the loss of fare revenue growth combined with historic inflationary pressures continues to put pressure on the overall fiscal health of the Authority.

Table 2: COVID Revenue Impacts

| | | 10-year Projection (FY20 - FY29) | | | | | |
|----------------------|----------------|----------------------------------|---------------------------------------|--------------------------------------|--|--|--|

^{*}Calculated using historical average of 5 years pre-pandemic

OPERATING REVENUES

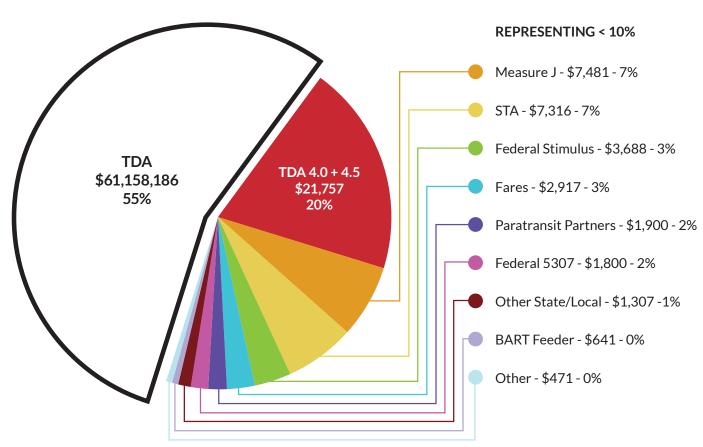

County Connection relies on a mixed portfolio of revenue sources. TDA provides the majority of the Authority's operating funds. The primary revenue sources for County Connection operations are:

- Transportation Development Act (TDA)
- Measure J
- State Transit Assistance (STA)
- Federal operating and stimulus funds
- Passenger fares

To develop revenue projections for the FY 2024 budget, staff referred to the Metropolitan Transportation Commission (MTC) revenue projections for STA and TDA, used Contra Costa Transportation Authority (CCTA) estimates for Measure J, and applied conservative projections to federal operating funds and passenger fares.

Chart 1: Operating Revenues

Fares

Prior to COVID-19, fare revenue was projected to exceed the FY 2020 budget of \$3 million due to a combination of fare increases in March 2019, more efficient routes, and Low Carbon Transit Operations Program (LCTOP) grant funding to subsidize free fares in the Monument Corridor. Actual fare revenue dropped to \$940 thousand in FY 2021 but has rebound with \$2 million collected in FY 2022 and an estimated \$2.1 to be collected in FY 2023. The budget anticipates continued growth in ridership, with fare revenues modeled to reach 70% of pre-pandemic levels by FY 2027.

Special Services

Special services revenue represents agreements with various agencies such as BART (bus bridges), the City of Walnut Creek, St. Mary's, and others to provide transit services for agreed upon amounts. Revenues from agreements that were not renewed during the pandemic have begun to be replaced by youth pass subsidies and returning bus bridge revenues, bringing increased stability to this revenue source.

Advertising Revenue

In October 2020, the Board approved an amendment with the advertising vendor since they were also financially hit due to COVID-19. The amendment waived the minimum annual guarantee (MAG) provision and established a new baseline share of 55% of revenue collected by the vendor. Fortunately, advertising revenue is back on solid footing with the MAG provision re-instated in the latest contract amendment with the advertising vendor.

State Transit Assistance (STA)

State Transit Assistance Funds (STA) funds are collected from the sales tax on diesel fuel. In FY 2018, Senate Bill 1 (SB1) increased the state gas tax to restore state transit funds back to historic levels. The State Controller follows a statutory allocation method to distribute funds to transit operators. In accordance with the statute, STA funding is split 50% based on (a) locally generated revenue expended on transit operations (revenue based) and 50% based on (b) the population of the County (population based). A stronger than expected economy led to robust diesel consumption growth through the pandemic, and diesel sales tax remains stable across the state. The current fund estimate from MTC projects that County Connection will receive \$7 million in total STA funds in FY 2024; the budget presents a more conservative estimate of \$6.3 million in STA funds.

In FY 2019, MTC converted the STA population-based funds from a formula-based allocation to a County Block Grant that is administered by the local Congestion Management Agency (CMA), Contra Costa Transportation Authority (CCTA). Under the County Block Grant, 60% of block funds are guaranteed to small operators, including County Connection. The remaining 40% is subject to CCTA's process for allocation and is commonly referred to as "non-guaranteed". The non-guaranteed amount for FY 2024 is approximately \$2 million. Changes to the allocation of these non-guaranteed funds could have a lasting impact on the ability of County Connection to provide services in the future.

Measure J - Contra Costa Transportation Authority (CCTA)

Measure J is a ½ cent sales tax in Contra Costa County administered by CCTA for transportation planning, projects, and programs. Measure J provides funding for fixed route and paratransit services to County Connection. CCTA projects that sales tax will remain flat in FY 2024 as compared to FY 2023, at roughly \$112 million in Measure J revenue for the county as a whole. In addition to the revenues projected for FY 2023-24, the allocation under consideration by CCTA includes a reconciliation amount of approximately \$800 thousand from FY 2021-22. Actual revenues in that year were higher than projected at the time so the additional program revenue is being allocated in FY 2023-24 in accordance with CCTA policy for that fiscal year. CCTA's recently adopted policy to hold actual Measure J revenues above mid-year budget allocations in a reserve will apply in the FY 2024-25 allocation. Therefore, staff is projecting a one-time increase to FY 2024 Measure J revenue, estimating receipt of \$7.5 million and decreasing to \$7 million in the following year's projection.

Transportation Development Act (TDA) Articles 4.0 and 4.5

Similar to Measure J local sales tax revenue, Transportation Development Act (TDA) funding is also generated from sales tax and has remained stable during and post-pandemic. TDA revenue is a ½ cent state sales tax to finance transportation programs and projects. TDA revenue is not accrual based – it is based on actual cash receipts in the fiscal year.

TDA Article 4.0 funding is utilized on both fixed-route and paratransit expenses, while TDA Article 4.5 funding is limited to usage on specialized transportation services only, such as paratransit.

Current MTC estimates project that County Connection will be allocated \$24.8 million in TDA 4.0 funding in FY 2024. TDA 4.0 revenue is the Authority's revenue of last resort. Any unused TDA revenue allocation is held by MTC and made available in future years. The budget proposes the use of \$20.6 million in TDA operating and \$6.5 million in TDA capital funds, which is \$2.3 million more than the MTC estimate of \$24.8 million, with the difference drawing upon past reserves.

MTC estimates that County Connection will receive \$1.2 million in TDA 4.5 revenue, which will be utilized solely on paratransit services.

Federal Relief Funds

County Connection has received timely and significant federal funding for transit operations. The federal government passed three relief bills that provided one-time funding for transit operators. These bills were the Coronavirus Aid, Relief, and Economic Security (CARES) Act, the Coronavirus Response and Relief Supplemental Appropriation Act of 2021 (CRRSAA), and the American Rescue Plan (ARP) Act of 2021. The funding has been made available to support capital, operating and other expenses generally eligible under those programs to prevent, prepare for, and respond to COVID-19. The Federal Transit Administration (FTA) allocated the formula funding to regions and states through the Section 5307 program.

The Metropolitan Transportation Commission (MTC) is the recipient of Section 5307 funds for the Bay Area. MTC worked quickly with all Bay Area transit agencies to develop a sub-allocation of the region's funding that reflects the initial needs of the transit agencies during this crisis and focused on restoring revenue losses for all operators.

County Connection utilized all \$11.8 million in CARES Act funding in fiscal years 2020, 2021 and 2022, and all \$10.3 million in ARP Act funding in fiscal years 2022 and 2023. All \$3.7 million in allocated CRRSAA funding is projected to be utilized during fiscal year 2024.

¹Due to certain limitations, County Connection was not eligible to receive CRRSAA funding directly, so a funding swap with Federal Transit Administration (FTA) Section 5307 funds was implemented by MTC.

Table 3: Federal Relief Funds

| Federal Relief Bill | ounty Connection Allocation (in thousands) | Expenditure Year |
|--|--|---------------------------|
| Coronavirus Aid, Relief, and Economic Security | | |
| (CARES) Act | \$ 11,813 | FY 2020, FY 2021, FY 2022 |

| Appropriation Act of 2021 (CRRSAA) | \$ 3,688 | FY 2024 |
| Total | \$ 25,765 | |

Low Carbon Transit Operations Program (LCTOP)

The Low Carbon Transit Operations Program (LCTOP) provides cap-and-trade funding for transit to reduce greenhouse gas (GHG) emissions and improve mobility, with a priority on serving disadvantaged communities (DACs). The Board of Directors has approved the utilization of these funds on service within DACs in the County Connection service area, plus fare subsidies on routes serving the Monument Corridor.

BART Express Funds

A 1997 agreement between BART and four East Bay bus operators (County Connection, LAVTA, Tri-Delta, and WestCAT) established a funding mechanism for BART to support feeder bus operators using BART's STA Revenue-Based and TDA sales tax funds. Initial payment amounts were established by transition agreements, and subsequent payments over the last 25 years have been calculated based on changes to AB 1107 ½-cent sales tax revenues. Due to the critical budgetary issues faced by BART, discussions between BART, MTC, county transportation agencies, and the four East Bay bus operators regarding these funding arrangements took place over the past year in an effort to partner with BART on temporary fiscal relief. These discussions have resulted in a temporary decrease to this revenue source from \$864 thousand to \$734 thousand in FY 2023, and a further reduction to \$640 thousand in FY 2024. Discussions related to the future structure of these agreements between BART and the operators are ongoing.

FTA 5307 ADA Paratransit Operating Funds

Federal funds are made available to transit operators for ADA Paratransit operations under the Section 5307 Urbanized Area Formula Program. MTC is the designated recipient of FTA Section 5307 formula funds in the Concord urbanized area, and determines the allocation of these funds among area operators.

Fees From Partner Agencies - LAVTA and One Seat

Fees from partner agencies are collected to offset the cost of managing shared paratransit and One Seat program expenses. Additional detail about these programs is provided in the expenses section of the budget document.

Table 4: Operating Revenues

OPERATING EXPENSES

The budget assumes that ridership will continue to improve, and that recruitment efforts to fill vacant operator positions will continue to be successful, resulting in an overall increase in operating expenses as compared to the current year.

Chart 2: Operating Expenses

Major expenditure categories are discussed in greater detail below, and pages 19 to 32 of this report provide operating expense detail by general ledger account.

Wages and Benefits

Wages and benefits are the Authority's largest expense. Even before the pandemic, the tight labor market was putting stress on transit operators, making it difficult to attract and retain qualified bus operators and mechanics. These challenges were only exacerbated by the pandemic. The Authority has made changes to its pay scale for operators in response to these challenges, resulting in a more competitive compensation package, and marked improvement to the retention of transit operators. Turnover rates of County Connection operators have improved from 10% in 2021 to 3% in 2023 (to date). Memorandums of Understanding (MOUs) were successfully negotiated with all three of the represented bargaining groups in FY 2023 for three-year terms. The financial impacts to the terms of these agreements are represented in the budget and forecast. The budget and forecast assume all vacancies will be filled during the fiscal year. Refer to page 15 of this report for a detailed breakdown of staffing allocations by full-time equivalent (FTE).

Pensions

County Connection contracts with the California Public Employees' Retirement System (CalPERS) for its employee defined-benefit pension plans. The Authority is statutorily required to pay the Annual Required Contribution (ARC) to CalPERS. The ARC comprises two elements; the Normal Cost (NC), which is the annual cost of service accrual, and the Unfunded Accrued Liability (UAL) payment, which represents the catch-up portion of costs. CalPERS calculates the NC and the UAL based on a 6.8% discount rate, which was reduced from 7.0% with the latest valuation, and mirrors its 6.8% expected return on plan assets. In FY 2023, the Authority also opened a 115 trust for pensions to begin setting aside additional pension funds.

CalPERS earned an unusually high return on investment in the year ended June 30, 2021, resulting in the County Connection plan to be 100% funded and no UAL payment required in FY 2024. Since a \$1 million UAL was planned for FY 2024 in the FY 2023 budget, the board authorized this \$1 million to be redirected to the newly created pension 115 trust.

A loss on investment reported by CalPERS in the year ended June 30, 2022 will likely result in a return to UAL payments. This information will be made available in July 2023 when the plan valuation reports are released. The budget forecast assumes continued 115 trust contributions and UAL payments in alignment with the prior year forecasts and will continue to be adjusted to maximize diversification of pension assets and continued stability in pensions promised to both retired and current Authority employees.

Chart 3: CalPERS Pension Costs

Pension Costs *\$ In Thousands*

Services

Expenses in the services category include legal fees, service repair, promotions, and on-call planning contracts. The primary driver of the increase in this category compared to the FY 2023 budget is the award of grant-funded on-call planning contract.

Materials and Supplies

The largest expense in the materials and supplies category is diesel fuel. Diesel prices are extraordinarily volatile in today's market. The budget includes conservative but realistic assumptions for pricing in the coming year. This category also contains expenditures for furniture and equipment that was previously budgeted to capital expenditures but are now being expensed in the year of purchase due to the low dollar value of these acquisitions.

Casualty and Liability

General liability premiums and workers compensation rates are estimated to grow by 15% in FY 2024 due to the volatility of the insurance market. A 5% escalator is used in the forecast beyond FY 2024.

Purchased Transportation

Purchased transportation for paratransit services is the Authority's second largest expense. Transdev was awarded a new contract to operate and manage paratransit services following a competitive proposal process in 2022. Paratransit demand is returning at a slower pace than fixed route demand, resulting in modest savings in this budget category. The FY 2024 expense is based on current ridership models and the new contract terms that went into effect July 1, 2022.

Purchased Transportation - Partner Agencies

In 2022 the Authority partnered with Livermore Amador Valley Transit Authority (LAVTA) on a pilot shared services contract to serve riders in the regions of both agencies with collaborative and efficient service delivery. In addition, the "One Seat" ride paratransit pilot with adjacent operators proved to be a successful service delivery model, resulting in cost savings and an enhanced rider experience. Therefore, each of these shared services will continue under the new contract for paratransit services in the coming year. These costs are budgeted, but do not impact County Connection's bottom line since they are reimbursed in full by the partner agencies.

Table 5: Operating Expenditures

COUNTY CONNECTION Central Contra Costa Transit Authority FY 2024 Proposed Budget - Operating Expenditures

| Total Expenses | 39,316,251 | 47,315,494 | 45,098,801 | 49,677,889 | 5.0% |

Capital Expenditures

Several necessary facility maintenance and modernization projects are included in the budget and forecast. Major project additions include a fuel tank replacement, replacement of the five hydraulic lifts in the maintenance facility, concrete pad repairs, expansion of the upper parking lot, and necessary elevator improvements in both buildings. These projects are expected to take place during the next few years and will be funded with TDA capital funds.

In addition, the capital program includes projected costs to convert the Authority's fleet to a zero-emission bus (ZEB) mixed fleet of electric and fuel cell buses, including infrastructure costs, per the adopted ZEB Rollout Plan. It is anticipated that the Authority can utilize 80% federal funding for the bus procurements, and FHWA funding for the infrastructure costs, with local TDA funds to meet the matching requirements. The budget forecast reflects this funding scenario.

The multi-year capital program can be found at page 16 of this report.

FORECAST

Using the current assumptions for fixed route and paratransit services, there are sufficient TDA reserves (25% or above) through FY 2028, due to the injection of federal relief funds during the pandemic. The FY 2024 proposed budget and forecast assumes revenue recovery over the next couple of years, with TDA, STA and Measure J revenue at current estimates and continuing to grow conservatively by 2-3% a year, which is lower than the average growth of these revenues pre-pandemic. The budget and forecast also include increases to ridership and passenger fares, leveling off at 70% of pre-pandemic levels by FY 2027.

Chart 4: TDA Reserve Projections

TDA Reserves \$ In Thousands

A financial forecast of capital and operating expenditures can be found at pages 16 to 17 of this document. A breakdown of TDA reserve utilization and projected fund balance can be found at page 18.
